MATERIAL HANDLING TIRES & WHEELS

Industry-leading **durability** and **reliability**

Tires + Wheels + Service =
The **Right Solution**®

Solideal's Right Solution® maximizes your productivity and provides you with the **Lowest Operating Cost Solution**.

There is a Solideal product that fits your needs:

- Resilient
- Press-On
- Pneumatic
- Polyurethane
- Industrial wheels

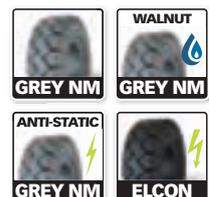

With Camoplast Solideal, you benefit from the largest global service network.

RESPECT FOR THE ENVIRONMENT

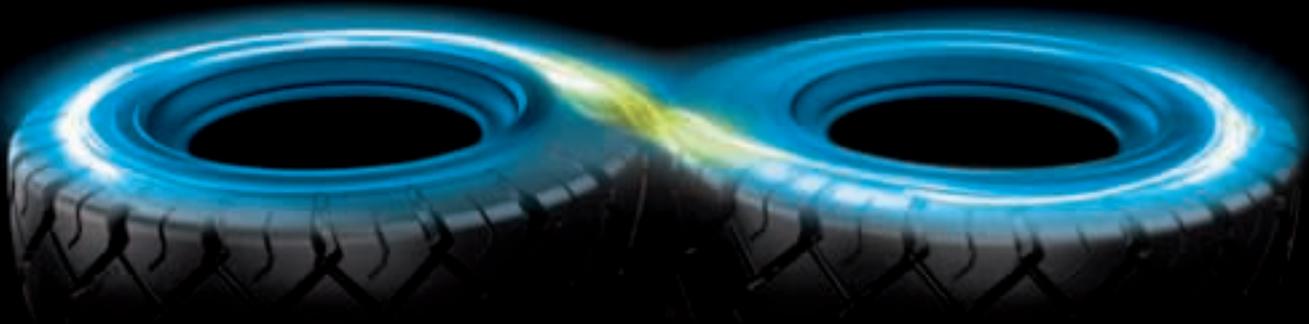

More durable tires = **less disposal**
Less rolling resistance = **less energy consumed**
Less energy consumed = **fewer emissions**

Solideal Tires:
High performance you can count on!

Heavy-duty material handling
Multi-shift continuous operations
Smooth floors

THE LONGEST-LASTING RESILIENT TIRE EVER MADE!

NEW

Solideal
XTREME

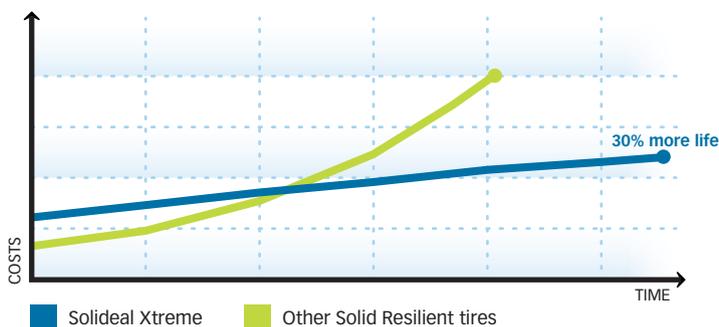

The most advanced technology

LIFE

SOLIDEAL XTREME **+ 30%**
LEADING COMPETITOR

LOWEST COST ON THE MARKET

LONG-LASTING TRACTION

Magnum Xtreme

Magnum Xtreme

- 1** New
- 2** 1000 hours

VIBRATION

SOLIDEAL XTREME **- 25%**
LEADING COMPETITOR

- Reduced wear on sensitive machine components
- Better riding comfort on smooth surfaces

ROLLING RESISTANCE

SOLIDEAL XTREME **- 10%**
LEADING COMPETITOR

- Lower heat buildup
- Improved battery life
- Lower energy consumption

LATERAL LOAD STABILITY

SOLIDEAL XTREME **+ 20%**
LEADING COMPETITOR

- Higher safety
- Even wear
- Better maneuverability

The world's best-selling resilient tire!

SOLIDEAL MAGNUM

The gold-standard in reliability.

Wide profile and flat footprint

- Provides excellent stability and cornering as well as traction

Every location
Every surface
Every job

Flat proofing + shock absorption

SOLIDEAL MAG2 SolidAir

A solid tire with the air cushioning of an industrial pneumatic.

UNIQUE APERTURE DESIGN

- Superior comfort
- Great stability
- Lower heat buildup

Non smooth floors
Delicate material handling

RUBBERPRO
ADVANCED
COMPOUND
EXPERTISE

Simply the best industrial heavy-duty pneumatic!

SOLIDEAL HAULER LT

Xtra wall and massive tread blocks

- Provides excellent protection from sidewall damage
- Provides good puncture resistance
- Prolongs life in severe applications

Available in three innovative patterns
Hauler LT, SM and HATR

SOLIDEAL ED PLUS

The perfect balance between durability, comfort and performance.

All applications

SOLIDEAL PORTMASTER

The most durable cross-ply tire on the market.

Specifically designed for fast wear applications like port usage

High speed
Heavier loads

FROM TREE TO TREAD

Based in the heart of the world's largest rubber production region, our team of dedicated R&D experts ensures that all our tires are made with tough, anti-abrasion, tear-resistant rubber compound that can handle the most severe job conditions, minimize heat generation, and provide ultimate durability.

Best life performance on the market

SOLIDEAL SM/MAG

Premium tires manufactured to the highest standard.

Wide, flat tread profile

- Decreases vibration levels
- Increases lateral stability

SM

Optimal crowned tread profile

- Provides excellent cushioning for increased driver comfort
- Universal use

MAG

Famous magnum tread pattern

Large lug-to-void ratio

- Improves traction and water displacement

Heavy duty
High loads

SOLIDEAL POLYURETHANE PRESS-ON TIRES

- Cut and chunk resistant
- Animal fat, oil and solvent proof
- Non-marking
- Low rolling resistance

POLYURETHANE

Available in 80 shore A, 90 shore A, and 95 shore A durometer compounds

Camoplast Solideal International Tire Warranty

Every tire manufactured and/or distributed by Camoplast Solideal is made from premium materials and tested using the most advanced technologies. All tires are guaranteed to be free of defects in workmanship and material.

- All Solideal tires deliver:
- Optimal performance
 - Superior durability and reliability
 - Low heat generation
 - Reduced downtime

That's why we offer the best warranty in the industry!

Your one-stop shop for Material Handling

SOLIDEAL INDUSTRIAL WHEELS

Availability, wide range, superior steel quality!

Reduce downtime with the fastest service in the industry!
